CHILDREN'S WORSHIP SERVICE

Sunday, June 22, 2025
Children's Worship Service is not available TODAY.
It will resume on Sunday, June 29, 2025.

JUNE IS MEN'S MENTAL HEALTH & PTSD MONTH
June is dedicated to raising awareness about mental health challenges men face and encouraging open conversations about their well-being. Men are less likely to seek help for mental health issues, and they are more likely to die by suicide than women. Help break the stigma, if you are suffering or need to talk to someone please do so.

PTSD is also this month as well. Post traumatic stress disorder is regarded as a very common mental health condition and it can impact an individual's life in profound ways. A person who is diagnosed with having PTSD their symptoms must last more than a month and must cause significant distress or problems in the individual's daily functioning.
