When Raising Children Takes Center Stage:

Are We Protecting the Foundation of the Family?

A STRONG Marriage BUILDS A STRONG FAMILY

GENESIS 2:24
"Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh."

MARK 10:9
"Therefore what God has joined together, let no one separate."

Children are a gift from God. Marriage is a covenant from God.
Let's protect the covenant that protects them.

3 KEY PRINCIPLES

- PROTECT THE COVENANT**
Nurture and protect your marriage relationship intentionally.
- MODEL WHAT YOU WANT YOUR CHILDREN TO LEARN**
They learn most by watching you.
- REMEMBER THE LONG-TERM VISION**
Children grow up and leave home, but your marriage remains.

DISCUSSION QUESTIONS

- 1 Have the responsibilities of parenting ever caused your marriage to take a back seat? How did you recognize it?
- 2 What practical steps help you stay emotionally connected as husband and wife?
- 3 How can parents show their children that marriage is a priority without making them feel unimportant?
- 4 What habits help you maintain unity during busy seasons of family life?
- 5 What legacy do you hope your children will learn from watching your marriage?

A HEALTHY MARRIAGE IS ONE OF THE GREATEST GIFTS WE CAN GIVE OUR CHILDREN. *Let's Grow Together!*
