

Sister Mantra

There's nothing too hard for God.

I am a daughter of the King.

God sees me!

He has great plans for me!

I will strive to live as a Christian should.

I will inspire and encourage my sisters to do
the same.

Hannah's Journey | My Journey

Different Circumstances...The Same Faithful God

Hannah	My Journey
A season of deep sorrow (Unable to have children)	A season of deep sorrow (A marriage affected by addiction)
She prayed persistently.	I prayed persistently for five years.
She searched for God in worship.	I searched God's word and grew closer to Him.
She poured out her heart before the Lord.	I poured out my heart before the Lord.
She made a vow to God.	I made a vow to God to start teaching and to use my professional gifts to serve His church.
God strengthened her before He changed her circumstances.	God strengthened me before my circumstances changed
She left with peace before Samuel was born.	God gave me peace before my situation was resolved.
God used Samuel to bless generations.	God used my painful season to prepare me for ministry to others.

"While I was asking God to change my circumstances, He was growing roots of faith that I couldn't yet see."
